I am excited to serve as this year's Chairman of the 14th Annual Excellence in Nursing Awards Luncheon. The 2018 Awards Luncheon will celebrate and recognize outstanding nurses in education and clinical practice in Houston and surrounding communities. I would be honored for you to join me in celebrating these remarkable men and women at this prestigious event.

The luncheon will be held at 12pm on Wednesday, September 5, 2018 at The Royal Sonesta Hotel Houston. Please find enclosed the sponsorship levels and the benefits that accompany each level. **To be listed in the awards luncheon program, please respond by Friday, August 17, 2018.**

Good Samaritan's Excellence in Nursing Award Luncheon is one of the largest programs dedicated to recognizing the women and men who are actively working in the nursing profession. The Excellence in Nursing Awards honor registered nurses and educators who are nominated by their peers and selected by a distinguished Awards Selection Committee. These nurses demonstrate a passion for the nursing profession and exemplify excellence in teaching, mentoring, leadership and service.

Please join me in supporting the largest segment of health care providers, nurses.

Kind regards,

**Lorraine Frazier, PhD, RN, FAAN, FAHA**
